

TRAVEL TUMBLER

TRAVEL TUMBLER is designed for people who lead a conscious and flexible lifestyle—for those who appreciate the subtle flavors of single origin coffee and tea, or like to drink mineral water at the right temperature for your body. Vacuum insulated, the tumbler has great heat and cold retention. The cap feels smooth on the mouth and is structurally designed to stop ice cubes and hot drinks from coming out vigorously so you can drink comfortably until the last sip.

*Keep drinks hot and cold for 6 hours
