

LUCE

Combining stainless steel and glass, LUCE is a carafe with an elegant presence. The lid does not need to be opened and closed each time for pouring. It also keeps dust out and is drip-free. The mesh filter prevents fine powders from escaping and lets you easily make delicious cold brew coffee and tea. Functional and refined, it can be used in various scenes.

[Bottle] Heat-resistant glass / Microwave and dishwasher safe
 [Outer lid] 18-8 Stainless steel, Silicone / Dishwasher safe
 [Inner lid, Filter] Polypropylene, Polyethylene terephthalate / Dishwasher safe
